MIT COURSE ON TAX COMPLIANCE 2022-2023

The MIT Course on Tax Compliance is a specialised and comprehensive course which covers direct and indirect tax issues from a practical perspective. It is designed for individuals from accounting, financial or legal backgrounds but is also ideal for clerical staff members of accountancy, audit and legal firms who handle tax compliance matters.

The MIT Course on Taxation is accredited by the Malta Further & Higher Education Authority. The Malta Institute of Taxation is licensed as a Higher Education Institution, having license number 2015-014.

3 Modules: The course is split into 3 modules (a total of 31 lectures):

- A. Introductory Topics: non-tax topics which are important for all tax professionals, such as Company Law and Anti Money Laundering Rules;
- B. Maltese Income Tax and Stamp Duty: this module addresses the fundamental of taxation including Taxation of Employment Income, FSS, the Tax Accounting System, Stamp Duty and Capital Gains Tax;
- C. VAT: this module covers the fundamentals of VAT, the key principles that are essential for practitioners;

*Along the course **5 Practical Sessions** are delivered: these lectures focus on the completion of tax and VAT returns with practical examples.*

Assessment: An assignment to be completed at the end of each Module (optional) and a Mid-Module Home Test (optional). Attendance is also taken into account for final grading purposes.

Duration: 31 lectures, from October 2022 to May 2023.

Option: Applicants may opt to follow the full course or any one or more modules.
