

## **TAX** **TAX COMPLIANCE PROFESSIONAL**

### **Your Story**

Can't wait to make an impact on the world? You're not alone. Join us in driving progress in the working world and beyond.

### **Your Journey with Us**

We are currently seeking ambitious graduates with a particular focus on pursuing a career in corporate tax compliance. Whether you are a fresh graduate or a seasoned professional with some years of experience under your belt, we want to meet with you! Here at Deloitte, we recognize there is no one size fits all career path, and we offer a range of possibilities to shape a unique and fulfilling journey. If you're ready to take your career to the next level in a challenging international environment, focusing on continuous learning and dynamic teamwork, you're ready for Deloitte!

### **How you will Make an Impact**

As a member of the Tax Compliance Team you are responsible for providing quality tax advice, handling the processing of income tax refund claims and keeping abreast with tax developments, in order to help our clients excel globally.

Your main tasks will include but are not limited to the following:

- Report directly into the Tax Compliance Managers and Senior Managers;
- Prepare income tax returns and computations for a variety of local and international clients;
- Liaise with the Inland Revenue Department on various compliance matters;
- Assist with and pre-empt any potential business development initiatives;
- Contribute to broader tax advisory projects from time to time;
- Perform any other tax compliance related tasks as may be required, proactively assist in the day-to-day client requests while liaising with the rest of the team.

### **Let's Talk About You**

Your Leadership skills:

- Monitors own results against objectives and seeks feedback to identify ways to enhance quality and personal/team performance
- Supports respect and inclusion by encouraging an open dialogue with colleagues and valuing individual differences and contributions

- Builds their own understanding of emerging market trends and educates others accordingly
- Projects enthusiasm, optimism and commitment to their work and the teams they are part of.

#### Your Professional skills:

- Develops an advanced understanding of Deloitte's client and engagement acceptance processes and policies.
- Adapts to changing priorities as they arise and seeks guidance from team leaders.
- Consult and proactively understand the needs of the client and work with them to develop relevant and valuable solutions.
- Evaluates problem(s) objectively considering facts, relevant professional standards or research, and develops a comprehensive picture of the problem

#### Your Specialized skills:

- be in possession of a university degree in Accountancy, or an equivalent qualification such as ACA or ACCA;
- have a minimum of one to two years working experience in a similar role;
- be able to work on their own initiative and have a strong work ethic;
- be able to work on cross-functional engagements with other departments within the firm;
- have an excellent command of English;
- be self-motivated and possess strong interpersonal, organizational and analytical skills;
