

## **TAX MANAGER**

We are looking for a Tax Manager to join our Direct Tax team.

### **Get a glimpse of the range of responsibilities that await you:**

- Leading tax-planning and implementation strategies to optimize clients' tax liability
- Providing advice on tax considerations in various processes of corporate restructuring and financing, mergers and acquisitions, cross-border investments, and other types of transactions
- Assisting international and local clients with ad-hoc tax advisory engagements
- Assisting in tax compliance and execution, including preparation of corporate tax returns and tax refund applications
- Assisting in tax audits and liaising with tax authorities
- Delivering technical training and providing technical support to the accounting and audit teams
- Keeping abreast with direct tax developments locally and internationally
- Identifying opportunities for the unit's growth
- Re-assessing and proposing improvements to systems and processes as and when required
- Assisting junior team members as their primary point of contact and review work where appropriate

### **You're good at:**

- Working against deadlines and delivering in a timely manner
- Excellent verbal and written communication skills in both English and Maltese languages
- Knowledge of a third language is considered a plus
- Working on your own initiative and in a team, with a pro-active approach
- Building relationships with clients and having a passion for delivering exceptional service

### **Your Qualifications and Experience:**

- ACCA qualified or equivalent
- A minimum of 2 years experience in a CSP environment following achievement of qualifications
- Excellent command of accounting standards and Maltese tax legislation
